Dear Parents & Families,

Today we held the last of our Easter Paraliturgies with a focus on the resurrection of Jesus on Easter Sunday and his appearance to his disciples on the road to Emmaus. Many thanks to our school captains who led the paraliturgies and to all the students who took part in this dramatization of the gospel.

**BEING HAPPY by Pope Francis**…continued from last week.

It is to thank God every morning for the miracle of life.

Being happy is not being afraid of one’s feelings. It is to know how to talk about ourselves.

It is to bear with courage when hearing a “no”.

It is to have the security to receive criticism, even if it is unfair.

It is to kiss the children, pamper the parents, have poetic moments with friends, even if they hurt us.

Being happy means allowing the free, happy and simple child inside each of us to live; having the maturity to say, “I was wrong”; having the audacity to say, “forgive me”.

It is to have sensitivity in expressing, “I need you”; to have the ability of saying, “I love you”.

*To be continued next week...*

**40TH ANNIVERSARY OF FATHER TERRY’S ORDINATION.**

Hi parishioners! As Fr Terry’s 40th anniversary draws closer, I would like to ask for some help in preparing a morning tea for Fr Terry, scheduled for after Mass on Sunday 29th May.

We need six men to help setup some tables and we would ask that everyone bring along a yummy and interesting plate. There will be a list for people to sign on.

Thanks so much, Dorothy.
