Dear Parents & Families,

Thank you to the parents who attended last week’s Working Bee. We were able to tidy up the garden beds along the front and the side of the school and complete some odd jobs around the school to ensure that we can maintain a high level of presentation.

2017

Staffing and organisation of classes for 2017 have commenced and we have received enquiries for positions at OLW. Currently we have limited or no vacancies in many of our classes so if your child will not be returning to OLW in 2017 could you please inform the school office in writing as this will assist us in our planning and organisation of classes for next year.

SCHOOL DEVELOPMENTS

Painting was completed in the hall last week along with the replacement of some windows and now new lights and carpet tiles should be installed this week. Our oval area is also looking great with the preparation of the base for the playing surface almost complete and the levelling of the area around the field has commenced. Both projects are currently running to schedule and will be ready prior to the end of the year.

FIRE CARRIER DISPLAY

Earlier this year our student FIRE Carrier (Friends Igniting Reconciliation through Education) worked with students from St Pius X, Heidelberg to create individual art canvases. These canvases were then combined with works from 18 other local Catholic Primary Schools to create a collaborative artwork which was displayed at the NAIDOC Exhibition at St Francis Church in Melbourne. The exhibition was linked to the theme of ‘Songlines – The living narrative of our Nation’ and is touring the schools involved. You may have seen the exhibition on display at our school last week. Photos of the display are included in this newsletter.

The Jubilee Year ends on November 20th, 2016.

Now we are approaching the end of the Jubilee Year of Mercy. Jesus, whom Pope Francis calls the “living face,” stands before us always, but the Jubilee in Rome and around the world will be closed on 20th Nov, 2016, on the Solemnity of Christ the King, to wait their reopening for the next Jubilee year.

We all need the Mercy of God because we all need to have a new beginning.

The doorway effect:

A few years ago, a scientific experiment was carried out at University of Notre Dame. The research team wanted answers to a common enough experience which they termed “the doorway effect.” Why is it that when we think of something in one room, and then go to another room to do it or get it, we forget it instead? They came to the conclusion through numerous subjects and trials that the brain does a sort of “quick memory wipe” as we pass through a door into another room.

Pope Francis’s prayer:

Lord Jesus Christ, you taught us to be merciful like the Heavenly Father and have told us that whoever sees you sees him. Show us your face and you’ll be saved. Your loving gaze freed Zacchaeus and Mathew from being enslaved by money, freed the adulteress Magdalene from seeking happiness only in created things, made Peter weep after his betrayal, and assured Paradise to the repentant thief. Let us hear, as if addressed to each one of us, the words that you spoke to the Samaritan women, “If you knew the gift of God.”

You are the visible face of the invisible Father of the God who manifests his power above all by forgiveness and mercy. Let the Church be your visible face in the world, it’s Lord risen and glorified. You willed that your ministers would also be clothed in weakness, in order that they may feel compassion for those in ignorance and error. Let everyone who approaches them feel sought after, loved and forgiven by God. Send your spirit and consecrate every one of us with its anointing, so that the Jubilee of Mercy may be a year of grace from the Lord, and your church, with its renewed enthusiasm, may bring good news to the poor, proclaim liberty to captives and the oppressed and restore sight to the blind.

We ask this through the intercession of Mary, Mother of Mercy. You, who live and reign with the Father and the Holy Spirit for ever and ever, Amen.
