BEING HAPPY by Pope Francis…continued from last week.

So that your life becomes a garden full of opportunities for being happy…

In your spring-time, may you become a lover of joy. In your winter, may you become a friend of wisdom.
And when you go wrong along the way, you start all over again. Thus you will be more passionate about life.
And you will find happiness is not about having a perfect life but about using tears to water tolerance, losses to refine patience, failures to carve serenity, pain to lapidate pleasure, obstacles to open the windows of intelligence.
Never give up…Never give up on the people you love. Never give up from being happy because life is an incredible show.
And you are a special human being!”
Live this message; make a difference in people’s life. And experience your resurrection everyday of your life.

40th Anniversary of Father Terry’s Ordination.

Hi parishioners! As Fr Terry’s 40th anniversary draws closer, I would like to ask for some help in preparing a morning tea for Fr Terry, scheduled for after Mass on Sunday 29th May.

We need six men to help setup some tables and we would ask that everyone bring along a yummy and interesting plate. There will be a list for people to sign on.

Thanks so much, Dorothy.
