Dear Parents & Families,

Each year all Catholic Schools provide opportunities for staff, parents and students to complete a questionnaire about school performance. Forty families are randomly selected by computer to complete a School Improvement Survey and the survey can be completed online or on paper. These families will receive an envelope today containing information on how to complete the survey.

To assist us in obtaining an accurate picture of parent opinion it is imperative that a high percentage of surveys are completed. The opinions of parents at the school are often an important indicator of how well the school is meeting the needs of the community and the students. All responses are confidential, so if you are returning the paper form please do not write your name on it. Completed paper surveys need to be returned to the school by Wednesday August 5.

SCHOOL IMPROVEMENT SURVEYS

HAVE YOUR SAY...

In the coming weeks we will be seeking your participation in School Improvement Surveys to help shape the ongoing improvement of our school for the students in our care.

The survey will be available from MONDAY 20 JULY 2015 to FRIDAY 7 AUGUST 2015.

Catholic Education Melbourne coordinates this process to support us in the collection of useful staff, student and parent opinion data.

Our School Improvement Survey Report is an invaluable resource in our ongoing pursuit of improvement. This helps us to identify what is going well and not so well and the ways in which we can improve and further develop our school. We would therefore greatly appreciate your continued support by completing the survey this year.

THANK YOU IN ADVANCE FOR YOUR PARTICIPATION.
