

OLW NEWS 2018

Tel: 9460 6684
Email: principal@olwkingsbury.catholic.edu.au

Issue: 24

Date: Monday, August 13, 2018

Dear Parents & Families,

Congratulations to the Year 5/6 students who represented our school last Friday. We all had a wonderful and most enjoyable day. Our students displayed great teamwork throughout the games and we are very proud of the efforts and sportsmanship that each of our students put into their matches. Overall, our Girls finished 4th and our Boys finished 1st in a very close and tough competition. Well done to all involved and many thanks to the parents who came along and supported the children on the day.

This Friday, our Year 3/4 children will represent OLW in the Reservoir Cup Basketball Tournament.

CONFIRMATION

Bishop Terry Curtin was out to visit and speak with our Confirmation Candidates today as part of their preparation for the Sacrament which they will receive on Thursday August 30.

FEAST OF THE ASSUMPTION

This Wednesday, August 15, is the Feast of the Assumption of the Blessed Mary. This is a Holy Day of Obligation which means that the whole school will attend Mass at 10:00am. All families are welcome to join us at Mass.

SPECIALIST PROGRAM THIS WEEK

Please note that there is a change to our Wednesday Specialist Program this week as it is a Holy Day of Obligation and all our classes will be attending Mass at 10.00am. To avoid disrupting our regular Phys Ed, Library and Italian classes, we have been able to move these programs to Tuesday August 14 in place of Wednesday August 15. Therefore, the students are now required to wear their sports uniform next Tuesday, in place of Wednesday.

YEAR 5/6 CAMP MEETING

A Year 5/6 Camp Information Evening Meeting will take place on Wednesday August 22 at 7.00pm. Details

and costings for the camp will be sent home later this week.

BOOK WEEK 2018

Book Week is celebrated across Australia from Monday August 20 – Friday August 24. The theme this year is "Find Your Treasure".

As part of our celebration of Book Week, Friday August 24 will be a special Dress-Up Day and Parade for the students. However, this year will be a little different to previous years. Our SRC, acting on a suggestion from Sebastian in Year 5, would like support the national 'Buy A Bale' scheme and is therefore inviting all students to dress up as farmers, farm animals, or something to do with farming and bring at least a gold coin donation. All funds raised on the day will go to the 'Buy A Bale' scheme and support our drought stricken farmers. Please read through the SRC's news item in today's newsletter for more information about this initiative.

Enjoy the week!

Kevin Burke

SACRAMENTAL DATES FOR 2018

The Sacrament of Confirmation for Year 6 students will take place on Thursday 30th August at 5:00pm with Bishop Terry Curtin as the celebrant.

The Sacrament of Penance (Reconciliation) for Year 2 students will take place on Tuesday 30th October at 7:00pm.

A Commitment Mass for the Sacrament of Reconciliation will take place on Sunday 14th October at the 10:00am Parish Mass.

Catherine Laycock
(Religious Education Leader)

The Program

Parade College is pleased to announce its **Snapshot @ Parade** program for primary school students.

The purpose of the program is to provide the opportunity for Grades 3 and 4 students to participate in a variety of exciting activities that will enrich and challenge them.

The program will operate after school from 4pm - 5pm on a Wednesday afternoon for a period of three weeks beginning on **Wednesday, 15 August 2018. Girls and boys are welcome**

Participants will be required to organise their own transport to and from the College.

Refreshments will be offered on arrival at Preston Campus reception.

A nominal fee of \$10 will be levied to cover the cost of program materials.

Photographs may be taken.

If your child has any special dietary restrictions or medical conditions that we should be aware of please attach a note to your application.

Overview of Program

Week 1 August 15 Kitchen Garden

The Preston Garden is a new area at our campus. Come and explore, add to the collection of plants and help make the Garden a feature of the Preston Campus. Come and be rewarded with something to take home.

Week 2 August 22 Team sports

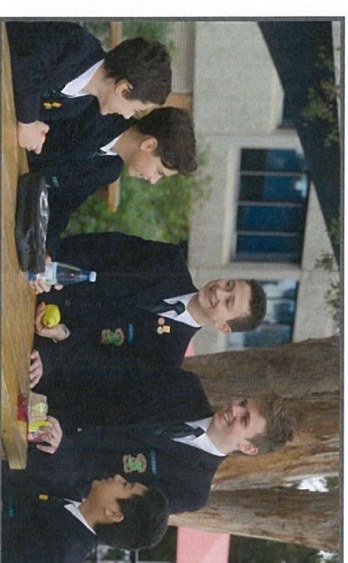

Calling out for the next Lionel Messi, Lebron James and Buddy Franklin! In this exciting session you will get to showcase your skills in a variety of team and individual activities. It will be a fun and engaging session catering for those of all skill levels.

- Develop and showcase your skills
- Includes options such as indoor soccer, basketball
- Bring your runners!

Week 3 August 29 Experimenting with Science

Science helps us to understand many things about the world around us, from the stars to the way materials behave, to how objects work. Come and explore a number of fun filled science activities.

- The physical properties of the world around us
- Manipulating materials

Dear Parent/Carer,

You are invited to participate in a free parenting program called *Tuning in to Kids (TIK)*. The program has already been delivered to over 120,000 parents in Australia, and previous research studies have provided a strong evidence-base that the program improves various child, parent and family outcomes. The current study is to compare three different delivery methods of the program and to see what works best for which families.

Participation in the study is for any parent or carer who has one or more children, between 4 and 10 years of age, who is exhibiting behaviours that are challenging or of concern to you. Participation is free, and voluntary. The study is open to one parent per family either the mother, father or guardian. We can also offer partners a free version of the online program after the study is completed. The study is being run by the University of Melbourne in conjunction with Swinburne University of Technology. It is independent of your school, kindergarten or childcare centre.

What is the program about?

Tuning in to Kids is a parenting program that aims to teach parents about children's emotional development. Program content and strategies assist parents to help their child to develop the skills of 'emotional intelligence'. Emotional intelligence (sometimes called EQ) is known to help children in their social development and is a better predictor of future life outcomes than intelligence (IQ). EQ skills include understanding, communicating and managing emotions, including difficult emotions such as anger, sadness and fear. Previous studies of TIK have shown the program has helped to reduce aggressive behaviour in children, promote social and friendship skills, and help build better emotional connections between parents and children.

What will participation involve?

Parents will be randomly allocated into one of four separate arms of the study.

1. Group TIK: Attending the program as part of eight two-hour group sessions;
2. One-to-one TIK: Attending the program delivered in eight one-to-one sessions;
3. TIK Online: Attending the program online plus receiving two follow-up phone calls;
4. Wait list control: Receiving TIK Online after a 9-month delay.

Random allocation is conducted through a computer-generated program and the process is like tossing a coin – you will have an equal chance of being in any of the four arms of the study.

We will also ask parents to complete a questionnaire, before and after completion of the program. The questionnaires will ask about the child's behaviour and parents' ability to manage emotions, parenting style and parents' own wellbeing. Each parent and their child will also be asked to participate in two video-recorded assessment sessions nine months apart. The child does not participate in the parenting program but they are required to attend the two assessment sessions with their parent.

What to do now?

If you are interested in the study, and would like to find out more, please contact Ross Couper-Johnston either by sending in the expression of interest slip below to ross.couper@unimelb.edu.au or by phoning on 9371-0218. Ross will be able to answer any of your questions, and then send some more information to you.

Yours sincerely,

Thank you

Are you a parent of a child between 4 and 10 years old?

If you would like to learn skills to help manage
your child's challenging behaviours, you are
invited to a **FREE** parenting program

Online, group and one-on-one
programs available, 2018-2019

Location of sessions – Flemington,
Thornbury and Hawthorn

TUNING IN TO KIDS may assist you to:

- help your child manage difficult feelings such as worry, sadness, frustration and anger
- build your connection with your child
- better understand what underpins challenging behaviours
- stay calm when dealing with tantrums
- help your child develop social skills and reduce aggression.

Monkey salvation for a fish.

"What on earth are you doing?" said I to the monkey when I saw him lift a fish from the water and place it on a tree.

"I am saving it from drowning" was the reply.

The sun that gives sight to the eagle blinds the owl.
