Dear Parents & Families,

Thank you to the families who attended the Reconciliation Parent – Child Reflection Night last Wednesday evening. The students and their families used Art and Story to look at how this Sacrament plays an important role in the life of our faith. It was a very informative evening that has assisted families and children in learning more about forgiveness. We now ask that you keep these children and their families in your prayers as they continue to prepare for the Sacrament next Tuesday evening.

REGIONAL ATHLETICS

Well done to William N. who represented OLW in the Regional Athletics Championships. Although not progressing to the State Final, his efforts in the 100m and Triple Jump were very good and it is a great achievement making it through to this high level of competition!

KINGSBURY PLAYMAP PROJECT

We are very excited that the Kingsbury Play Map Project nomination for the 2018 Victorian Early Years Awards has been shortlisted as one of three finalists under the 'Promoting Children's Health and Wellbeing Award' category.

I will be attending the awards ceremony, which is being held at the National Gallery of Victoria tomorrow evening, with the Minister for Early Childhood Education announcing the winners of the 2018 Victorian Early Years Awards at the ceremony.

For those who are new to the school, the Kingsbury Play Map was designed to raise awareness of diverse play opportunities that strengthen community links. It's an initiative that allows families and children across Darebin to try out free play places and spaces in their neighbourhood. Children from Maryborough Kinder, Kingsbury

Primary and OLW helped to design the map of their local play areas. The map, which is displayed on the board at the front of the school, identifies play areas in Kingsbury, one of Darebin's most vulnerable areas, and uses action words to show the activities in the different locations. Families can then build on their knowledge about how to play and interact with their local environment.

The rest of Archbishop Peter A COMENSOLI. Pilgrim post

The process of listening, discerning and deciding will roll out over the next couple of years, and the acting with GOD will be our common task beyond that. However, it all begins with stopping and listening.

When he was a boy, the prophet Samuel first heard his name being called by GOD. His reply:” Here I am, LORD. Your servant is listening.” With the trust of a child, Samuel was able to generously respond to an invitation, the meaning of which would unfold only gradually throughout his life. I think he shows us a way we need to recover, a way of being trustingly attentive. Do we not need to find a way for the CHURCH to become trustworthy enough to be listened out for? Perhaps this is the best task that the PLENARY COUNCIL might pursue.

But again, this calls for a disposition of listening so as to build a life together in faith, hope and love. When the great founder of western monasticism, St Benedict of Norcia. Wanted to share with his companions, how this could be realized, he did so by writing a rule of life for them to live. In addition, his first words to them in his rule were: “LISTEN MY CHILD TO THE MASTER’S instructions, and attend to them with the ear of HEART”. Again, the inclination is towards, LISTENING, this time in forming a COMMUNITY of LIFE and LOVE.

May I leave you with one last thought? It is the first knock of the LORD, made to his chosen people, our Jewish brothers and sisters, which GOD now makes on our door. LISTEN, O ISRAEL: THE LORD our GOD is the one Lord. You must love the Lord your GOD with all your heart, with all your soul, with all your strength. (Deuteronomy). 6:4-5.

LISTEN! I am standing at the door, knocking if you hear my voice and open the door, I will come in and eat and drink with you, and You with ME. Revelation 3:20
