Dear Parents & Families,

Thank you to the parents and children who attended the Confirmation Parent – Child Night last Tuesday evening. It was a great opportunity for the parents and children to share in this time together and talk about their faith journey.

Our Confirmation Candidates also attended a Commitment Mass yesterday as part of their preparation for the Sacrament. At the Mass they were presented with a copy of the Apostles Creed and as part of our commitment to Reconciliation, they also received a copy of the Aboriginal Creed. They will now continue to prepare to receive the Sacrament of Confirmation next Thursday, August 1, at 5.00pm

The human brain would be able to perform 38 quadrillion (38 thousand-trillion) operations per second if it were a computer. Why do I still suck at math?

The loneliest creature on earth is a whale that has been calling for a mate for two decades. Researchers identified the whale's abnormally high call over 20 years ago. The unknown whale is called 'lonely' because it communicates at a frequency not used by any other whale in the North Pacific, and so far, it has never received a response.

The human body gives off enough heat in 30 minutes to bring a gallon of water to a boil.
