Dear Parents & Families,

Thank you to all the families who have completed their child's profile in Care Monkey. Last Friday we had 48 out of 52 senior students with their profile and permission form for Summer Sport completed by their parents which was a fabulous effort by those families. Altogether now we now have 118 out 172 students with a profile created by their parents.

Please be aware that we are now using Care Monkey to manage student all medical information, excursion forms and sports permission forms. Notification of upcoming excursions or sports activities and parent signed approval will only be through Care Monkey. For those who are more fluent in another language, you are able to change the language setting and complete the required information in your preferred language.

## REGIONAL ATHLETICS

Congratulations to the eleven students who represented OLW in the Regional Athletics last Wednesday. There were many great performances throughout the day, and congratulations to Will B. and Will N. who have made it to the State Championships Final this Thursday. We wish them both the best of luck in their events!

## SACRAMENT OF RECONCILIATION

Thank you to the families who attended the Parent/Child Night and the Commitment Mass for the Sacrament of Reconciliation. It was great to have the opportunity to share this preparation time with both you and your child.

# KINGSBURY OUT OF SCHOOL HOURS CARE

## LATELY AT OSHC...

We have a very competitive bunch of kids at After Care, and so last week when we got out our mini golf set we thought we'd try something a little different to keep track of the score. Instead of using a boring old piece of paper and a pencil, we kept track by earning pretend Australian money each time we got the ball in. The easiest hole earned the player a \$1 coin, \$2 for the next and so on, all the way up to a \$100 note for the most challenging hole. Kurt, Patrick, Tristan and Sai proved their many talents throughout the afternoon, playing an excellent few rounds of mini golf AND doing fantastic job counting up their monetary scores along the way, with Kurt even 'scoring' a whopping \$125! Although this cash was just pretend, I wonder what these players would buy if their winnings were real..?!

Our Junior Leader this week is Poppy for being a kind and caring friend to so many of the younger children at the program. Congratulations, Poppy!
