Dear Parents & Families,

Welcome back to our Prep – Year 2 students! It is great to have the opportunity to return to onsite learning and see so many students excited about being back at school.

The government has phased the return to school plan so that there is still a limited movement of people around the state.

- In the **first stage**, students in **Prep - Year 2** will return to school from today, **Tuesday 26 May**.
- In the **second stage** of the return to onsite schooling, **Years 3 - 6** will return to school from **Tuesday 9 June**.

Once a year level has returned, all students are expected to attend school as normal. The school will continue to post work weekly on Sunday evening for students who are not able to attend school for a variety of reasons, but this ruling by the government means that if you choose to keep your child at home after their year level has returned, you will be totally responsible for their learning.

Some procedural changes to note that directly affect parents include:

- Only students are allowed on the school site.
- Students will assemble on a yellow dot at the black gates and will be temperature checked and hands sanitised prior to entry at the beginning of the school day.
- There is staggered entry and exit times to reduce gate congestion.
 - Entry -
 - Year 2/3 – 8.35am
 - Year 1/2K – 8.40am
 - Year 1/2MS – 8.45am
 - Year Prep – 8.50am
 - Exit -
 - Year Prep – 3.10pm
 - Year 1/2MS – 3.15pm
 - Year 1/2K – 3.20pm
 - Year 2/3 – 3.25pm
 - After School Care – 3.30pm

- Staff will assemble students on the Basketball Court at the end of the day.
- Parents will wait outside the black gates on the yellow dots at their designated time. The Person in Charge will manage the dismissal from school.
- If you miss your time for collecting your child, then you will have to wait until other groups have cleared the school.
- Your child's teacher will remain with your child until they are collected. Additional cleaning routines in line with government guidelines have been implemented to ensure that we keep staff and students as safe as possible.

Although these arrangements are only in place for the next two weeks until all students resume, we will need the support of all families to ensure that this is a safe and smooth process. Please do not wait around or congregate in the carpark, once you have collected your child/children, you need to leave directly.

OSH Care has recommenced today with a phased reintroduction in line with the government's phased return plan.

Our 'Wellbeing Wednesday' online catch-up continues each Wednesday for Years 3 – 6 until regular classes resume on June 9. Class teachers in Years 3 – 6 will continue to be available online daily between 9.00am and 3.30pm until all classes have resumed on June 9.

Have a great week & welcome back!

Kevin Burke

WORD OF THE WEEK

Congratulations to everyone who found out that protocol means 'official procedure or system of rules governing affairs of state or diplomatic occasions'.

Our word for this week is:

WELCOME

See if you can display it's meaning over the next few weeks!

Excited teachers waiting to greet their students this morning!
