Dear Parents & Families,

Thank you to everyone for their continued work with their children at home over the past week. Our overall school application and performance has been outstanding, with our students successfully answering just over 390,00 questions over the past 18 days of Learning from Home!

Class teachers have been making contact with families by phone over the past two weeks on the day they are scheduled for onsite supervision and will continue to do so throughout the term. The purpose of the call is to touch base regularly with families and give a little feedback on their child's performance. Please remember that your child's class teacher is also available online daily between 9.00am and 3.30pm, with the details on the front of their weekly schedule. They will be happy to assist you with any questions about your child's learning.

Miss Nguyen, Miss Kent and Miss Penzo continue to work behind the scenes on our YouTube Learning Channel creating instructional and practice videos focussing on the M100+ words, 2 – 5 syllable words, various digraphs, spelling lessons, multiplication facts, and online Masses. Access to the channel and activities will appear on your child's weekly schedule as appropriate to their learning, but if you are interested in checking out the channel you can view or subscribe to our learning channel at: <https://www.youtube.com/channel/UCYNzWrC-rRpl11wQVfYA1Q/featured>.

Prep 2021 applications closed last Friday, May 1. At this point in time, we are going to offer places as planned in June based on the enrolment criteria meaning that siblings will have 1<sup>st</sup> preference, children of Parish Catholics have 2<sup>nd</sup> preference, children of neighbouring Parish Catholics have 3<sup>rd</sup> preference, children of other Christian denominations

have 4<sup>th</sup> preference, and children of no religious denomination have 5<sup>th</sup> preference. Places will be offered in the order applications were received by the school for preferences 2 - 5.

This Sunday we celebrate Mother's Day. It is going to be a little strange for many of us as we maintain social distancing as nothing can match a mother's touch, but I hope that all mum's are still spoiled by their family.

To assist families in preparing for the week, all work is posted weekly on Sunday evening around 6.00pm on our School app and our School website under the Learning from Home tab at: <https://www.olwkingsbury.catholic.edu.au/news-events/learning-from-home/>

Please keep the pictures coming in weekly by email to me or your class teacher as they are a great inspiration to both the staff and school families.

Have a great week!

*Kevin Burke*
