Dear Parents & Families,

Welcome back to school! It was great to see so many happy and excited students now that onsite schooling has resumed. They have all settled in exceptionally well and this has made for a very smooth return to school. Please be aware that the following procedures remain in place based on the operating guidelines given to schools:

- **Only students are allowed on the school site.**
- Students will be temperature checked and hands sanitised prior to entry at the beginning of the school day.
- There is staggered entry and exit times to reduce gate congestion. **Students will be grouped in House Teams** for this process as it keeps families together.
 - Entry -
Kelly – 8.30am
Latrobe – 8.40am
Bates – 8.50am
 - Exit -
Kelly – 3.10pm
Latrobe – 3.20pm
Bates – 3.30pm
- Staff will assemble students on the Basketball Court at the end of the day.
- Parents will wait outside the black gates. The Person in Charge will manage the dismissal from school.
- On wet weather days, dismissal will take place from under the covered area in front of the Church. A post on our school app will alert families when this area will be used due to inclement weather.

These new arrangements are operational until the end of Term 4 and we will need the support of all families to ensure that this is a safe and smooth process. **Please do not wait around or congregate in the carpark, once you have collected your child/children, you must leave directly.**

Once a year level has returned, all students are expected to attend school. This means that if you choose to keep your child at home, you are responsible for their learning. Classroom email accounts will also be closed once the classes have returned, so

please contact the school office if you wish to speak with your child's class teacher.

Work on our Refurbishment Project officially begins next Monday following a COVID Safe Plan. However, in order to be ready to start work on that day, you will notice some changes commencing from tomorrow. Security fencing will be installed around the front of the school and near the basketball court area outside the classrooms being refurbished which will safely enclose the contractors onsite and keep our students safe. Site sheds will be installed in the staff carpark, therefore staff will now be using the church carpark for parking. Last Thursday, Years 1/2K, 2/3L, 3/4A & 4/5M classrooms were relocated to other areas of the school for the remainder of this term whilst their rooms are refurbished, so things will be changing rapidly over the next week. Some sample concept images of our refurbishment are included in today's newsletter.

Buxwear Uniforms is now offering a click and collect system for orders placed on the website at shop.buxwear.com.au or by phone 9464 7555. Shop hours will be Monday Wednesday & Fri from 10am - 5 pm.

Classroom Cuisine recommences this Wednesday for lunch orders. Please see the attached menu.

School Hats are compulsory at all times in Term 4 when the students are outside, and the use of sunscreen is highly recommended. As a Sunsmart School the policy is: 'No Hat, No Play'.

Welcome back and have a great week!

Kevin Burke

WORD OF THE WEEK

Congratulations to everyone who found out that déjà vu means 'a feeling of having already experienced the present situation.'

Our word for this week is:

REFURBISH

Find out it's meaning and origin and see if you can add this word to your vocabulary over the next week!

COVID-19 RETURN TO SCHOOL PROTOCOLS

START & END OF DAY

- Students will enter and exit the school grounds at their designated House Team time.
- Students will be temperature checked at the gate and sanitised prior to entry. They then move to their classroom and prepare for the start of the day. They are able to move outside to the playground to play prior to the commencement of the school day.
- Members of the Leadership Team & LSO's will manage the dismissal process in the afternoon. House Teams will assemble on the basketball court at their designated time for dismissal. Teachers will remain in their room supervising remaining students.
- Parents must not wait around or congregate in the carpark, once you have dropped off or collected your child/children, you need to leave directly.
- Social distancing protocols must be adhered to at all times.

ENTERING & RETURNING TO THE CLASSROOM

- Students are required to sanitise when entering the classroom/learning area. When leaving the classroom/learning area, students are also required to sanitise. If going to the toilet, they can wash their hands with soap and then return directly. If they are going to the office or another location, they need to sanitise on return.
- Each classroom/learning area has its own labelled bottle of sanitiser. These are refillable bottles so please do not throw them out.

BEFORE MORNING RECESS, LUNCHTIME & AFTERNOON DISMISSAL

- Students will be required to assist with the cleaning regime. Additional time will need to be built into your day to plan for this.
- After eating morning tea or lunch and before leaving at the end of the day, the students will be required to clean their work area, chair, etc. The teacher will spray the student's desk and chair and the child will wipe down the desk and chair with the paper towel provided. This will then be thrown out and the child can sanitise their hands and be ready to leave.
- Staff will need to wipe down high touch areas (such as door handles, light switches, teacher desk, etc.) prior to exiting their room at each break.
- Students will need to wipe down devices when they are to be returned to charging stations. Huong will coordinate the distribution of wipes for devices.
- Each grade has a labelled spray bottle of cleaner/disinfectant. These are refillable bottles so please do not throw them out.

STUDENTS USING THE TOILETS DURING RECESS TIMES

- Students attending the toilet during recess times will be able to sanitise at the Sanitiser Stations outside the toilets prior to entering, then wash their hands with soap before leaving.

LINING UP AFTER RECESS & WET DAY

- Please separate out your grades so that there is adequate space between classes and students.
- For wet day duties, please do not allow students to move between classes and have them limit their movement within the classroom.

LIMITING HIGH TOUCH SURFACES

- The toilet doors will be pinned open (excluding cubicle doors) to minimise touching.
- Keeping classroom doors open will reduce the need to constantly wipe handles and frame.
- Limiting movement of students within the classroom and shared use locations will reduce the need for constant cleaning.

BOOK RETURNS

- A tub will be provided for book returns. Books will need to be placed directly into the tub. Covers will need to be wiped down with disinfectant prior to re-shelving.

END OF DAY

- The playground, outdoor seats, tables and equipment will be disinfected daily by members of the Leadership Team. A mobile spray pack and hose are stored in the cleaner's room.

Welcome back!

KINGSBURY OUT OF SCHOOL HOURS CARE

WE CAN'T WAIT TO SEE YOU

Both Before and After Care are back up and running as normal, and we're excited to provide a space for everyone to catch up and play safely with each other.

If you attended the program before the remote learning period began, we are so excited to see you again! We'd appreciate if you could advise us of your intentions to return via email or telephone as soon as possible.

Alternatively, if your working hours have changed this year and you're looking for some flexibility and social time for your child, we encourage you to get in touch!

For your safety and ours, we will...

- Eat, play and relax outside as much as possible
- Spend more time in small groups, rather than all together
- Provide activities that promote appropriate social distancing
- Provide temperature checks and ensure anyone who is unwell stays home
- Continue to practise increased hand hygiene, especially before and after using shared equipment
- Continue to ensure high-touch surfaces are cleaned frequently
- Continue to ask that parents use the doorbell upon arrival to help minimise the number of people inside our room at one time. Please sanitise your hands before signing your child in/out at the table outside.

ZOOM WITH THE PRINCIPAL

The Parade Community takes great pride in our school and students and we appreciate that the best way for you to see what we are all about, is to visit us when we are in action. However, this is not at all possible at present due to COVID-19 social distancing restrictions, so we have in place the next best thing.

We now extend an invitation to our prospective families to join us in a conversation and to ZOOM with the Principal!

Using online conferencing and taking approximately 30 minutes, this event will be hosted by Parade College leadership personnel and specialists teachers. This ideal setting is a perfect opportunity for you to meet key staff members, explore Parade history, have curriculum and pathways explained and all your enrolment questions answered.
