Dear Parents & Families,

This Sunday we celebrate Mother's Day and usually we are able to hold some type of function in the Hall or in the classrooms to celebrate our mums. Unfortunately, this year our Hall is still under refurbishment and as we are still under COVID Safe guidelines, we are limited to the 1 person per 2m² rule indoors for classrooms. This means that we are not able to allow access to any parents into a classroom if the students are there as we would be in breach of the guidelines.

Therefore, we have decided that the best course of action at the current time is to run our Mother's Day Stall as usual and also have the students complete something special for their mum at school. Once our Hall is complete in around 4-6 weeks, we will hold a special Mum's Morning in the Hall as our first function in the new space.

MOTHER'S DAY STALL

Our P & F will be holding the Mother's Day Stall this Friday morning commencing at 9.15am. Gifts will be predominantly \$2, \$5 & \$10 with a wide selection on offer for those wishing to purchase a gift for their mum.

IXL & FLIPPED CLASSROOM

During Learning from Home in 2020, we learnt many new ways of changing up the student learning and how we can further enhance what is taught in the classroom. During Term 2 this year, we are going to trial what is sometimes referred to as the 'Flipped Classroom'. In simple terms, this refers to students undertaking new learning and concepts in the classroom and then practicing or revising these skills at home. This practice, using the IXL Program, will form part of their homework over the course of the week and give immediate feedback to the teacher on how well the student has retained their knowledge and new learnings. It will also enable parents to know what is being undertaken in the classroom in either Maths or English. The weekly homework contract will specify the exact exercises to be completed over the course of the week. In

some cases, it may even be revision activities from the year below their current level in order to consolidate learning. Activities should not take any more than 5 – 10 minutes at any time and may be modified for students on PLP's or special programs, depending on their learning goals. User names and logins have remained the same for students in Years 1 – 6, but login information will be sent home by the classroom teacher for all students this week so that everyone can be set up and ready to go from next week.

PREP 2022

Our Prep 2022 School Tours continue next Thursday, May 13 at 9.15am. Applications close on Friday May 21, with Interviews commencing on Tuesday May 25.

DISTRICT CROSS COUNTRY TRIAL

The District Cross Country is being held this Friday at Edwardes Park in Reservoir commencing at 12.30pm. Parents of competitors are welcome to attend to support their child and the team. The permission form is now active in Operoo for our selected competitors. Please ensure that your child's medical profile is up to date.

INTERSCHOOL SPORT

This week there is a BYE for all Ken Park District Schools due to the District Cross Country being held during this time.

Enjoy the week and we wish all mum's a very Happy Mother's Day on Sunday!

WORD OF THE WEEK

Congratulations to everyone who found out that sacrifice means 'to give up something valued for the sake of other considerations' or 'an act of slaughtering an animal or person or surrendering a possession as an offering to a deity'.

Our word for this week using all mums as inspiration is:

ENDEARING

Find out it's meaning and origin and see if you can add this word to your vocabulary over the next week!

Term 2 is off to a great start for everyone at OSHC, with plenty of fun activities, delicious foods and active outdoor games and challenges!

On the art table, we've created unique portraits using paper collage. This was a great way to use our scrap paper, test our creativity and calm down after a busy day. We loved seeing how the kids were able to translate their unique features and personality into their artworks. Our budding artists have also created Aladdin-inspired watercolour paintings depicting the night sky, complete with a magical genie lamp and a wish.

In the kitchen this week, we baked ANZAC biscuits. We spoke about how and why they were created as the perfect biscuit to send overseas to remind the soldiers of their homes and families back in Australia and New Zealand. We like to under-bake them slightly so they remain nice and chewy when you take a bite! For our afternoon teas, we've enjoyed eating pillowy gnocchi, chilli con carne, and a sweet potato slice.

On Tuesday, we had a particularly great game of footy out on the oval. It was great to see so many kids joining in the game - we think there might even be a few future AFL stars on our hands!

SPECIAL OFFERINGS AT PARADE COLLEGE

Brother Peter Cole Scholarship – Preston Campus

The Br Peter Cole Scholarship is awarded to prospective Year 7 students who apply to enrol at Parade College's Preston Campus. This scholarship is created to honour a great man and to acknowledge his connection to the Preston area by offering a limited number of academic scholarships for students who would be part of the Altior program (Gifted and Talented Program) at **Preston Campus**. In 2021, both **Grade 5** students and **Grade 6** students may apply for the Br Peter Cole Scholarship. Grade 5 students do not need to have a confirmed enrolment to apply. Applications for the Brother Peter Cole Scholarship double as an application for the Altior Program at Preston Campus. The application form can be found at <https://www.parade.vic.edu.au/Scholarships.aspx> and applications close on Friday the 28th of May, 2021. For further information please contact Christina Marazita, Gifted and Talented Program Coordinator, on 9468 3711 or at scholarships@parade.vic.edu.au.

Year 7 Altior Program 2022 - Bundoora Campus

The Altior Gifted and Talented program is an alternate curriculum catered to the highest achieving students in the cohort. It is a challenging program that extends and enriches students in the core subject areas of English, Humanities, Science and Mathematics. It is aimed at students who have maintained high academic standards and who wish to develop skills of independent learning, teamwork, and leadership. The application form can be found at <https://www.parade.vic.edu.au/Scholarships.aspx> and applications close on Friday the 28th of May, 2021. For further information please contact Christina Marazita, Gifted and Talented Program Coordinator, on 9468 3711 or at christina.marazita@parade.vic.edu.au.

SANTA MARIA COLLEGE MUSIC ACADEMY

A Personal Invitation

MUSIC ACADEMY

Santa Maria College is offering an opportunity for your child (currently in Grade 3, Grade 4, Grade 5 or Grade 6) to be a part of the Santa Maria College - Music Academy!

If your child has always wanted to learn an instrument or sing or is currently learning an instrument or taking singing lessons then we would encourage them to be a part of the Music Academy.

The Music Academy will run on Wednesday afternoons from 4:15pm and feature 1 x 75 minute music session per week. This will comprise 1 x 45 minute instrumental or singing group lesson given by a specialist teacher and 1 x 30 minute ensemble rehearsal.

THE PROGRAM

The program (which includes over 35 contact hours with specialist teachers per year) will run at a cost of \$570 per semester.

Students need to provide their own instrument however we can assist you in purchasing or hiring a new or second hand instrument.

The instruments offered are:

- ★ Voice (singing)
- ★ Violin
- ★ Viola
- ★ Cello
- ★ Guitar
- ★ Bass Guitar
- ★ Drums
- ★ Trumpet
- ★ Trombone
- ★ Alto Saxophone
- ★ Clarinet
- ★ Flute

COME AND TRY INFO NIGHT

The program will feature a fun repertoire; 14 sessions per semester (28 per year) and one feature performance per semester (two per year)!

Santa Maria College is hosting a 'Come And Try' Info night! There will be a 20-minute introduction, a Q&A opportunity, an opportunity to meet the specialist teachers who will run the program and a chance for your child to try the instruments being offered and find the instrument that suits them best!

The 'Come and Try' Information and Trial Night will be held on Wednesday 2 June (7:00pm-8:30pm) at Santa Maria College, 50 Separation Street, Northcote.

The 'Come and Try' night is free to attend and there is no obligation to enrol.

We ask that you park offsite when attending the 'Come and Try' night.

CONTACT DETAILS

We look forward to seeing you at the 'Come And Try' Information and Trial Night on Wednesday 2nd June at 7:00pm!
