Dear Parents & Families,

As we work through the second week of restrictions, I would like to thank all the parents who have supported and encouraged their children with their learning. In addition to completing over 180,000 questions in IXL, we have students completing some amazing artwork, Phys Ed activities and science experiments involving water as part of their Futurescapes program.

## BUILDING UPDATE

Building work has continued during the lockdown and should be very close to being finished by this Friday. By the end of this week much of the fencing will be removed and site sheds will be moved out of the staff carpark, freeing up this area for staff use. The transformation of our Hall has been incredible, and we look forward to being able to use this facility for all our activities again.

## COVID-19 PROTOCOLS

Schools are still required to reduce congestion at drop-off and collection times. Therefore, to avoid congestion at the gate and in the carpark we will continue with staggered times until further notice and parents are still required to wear a mask at all times when outside their home. Our times have been rotated again and are as follows:

House	Drop Off	Pick Up
Kelly	8.30am	3.10pm
Latrobe	8.40am	3.20pm
Bates	8.50am	3.30pm
