Dear Parents & Families,

As we commence what we hope will be a short lockdown, I would like to reassure families that if you are able to follow the program set out for Learning from Home fairly closely, then your children will continue to learn at a very high level. We know from previous experience that it often takes a few days to settle into a good working rhythm of learning from home for some students, so please continue to be supportive and don't panic if things don't go to plan straight away.

Learning from Home Activities were posted at lunchtime yesterday on our school app and on our school website @ <https://www.olwkingsbury.catholic.edu.au/news-events/learning-from-home/>

The teachers have planned and provided work for the whole of this week in case the lockdown is extended. As only a short lockdown is initially planned, we will not be running classroom meets for Monday and Tuesday. However, if the lockdown is extended, then this will be added into our daily schedule from Wednesday. A copy of Meeting times and meeting expectations is included in today's newsletter. These times and logins are identical to the last lockdown and take into consideration other online meetings for intervention programs that will also continue during lockdown. Families using an iPad or Tablet to access the meeting will need to download the Whereby app and just add the classroom code details after the / to join the meeting. E.g. Year 1/2S would type in the meeting code of olw12s to join the meeting. Tablets and iPads may not have all the same functionality as a PC when using Whereby, but will allow for engagement with the class and the teacher.

Please remember that teachers will be available online at their classroom teacher email address each day between 9.00am - 3.30pm, so feel free to email them if you have any questions. All contact details are included on the front of the weekly planner.

Families of essential workers are eligible to apply for onsite supervision. The

application form is available through Operoo (formerly CareMonkey).

DISTRICT BASKETBALL TOURNAMENTS

The Keon Park District Sports Association Round Robin Tournaments for Basketball are due to commence this Friday, July 23, for Year 3/4. Team selection has been completed but we will wait to hear if the event is going ahead before announcing the team. We have been advised that if the event is able to go ahead this Friday, it will be a student only event and unfortunately parents will not be able to attend.

Stay safe and we hope to see you soon!

Welcome to Term 3! To those of you who we didn't see over the holidays, we hope you had a fantastic break and are feeling refreshed and ready for school. As for the rest of us, it's safe to say we had a fantastic time on at our Winter Holiday Program! Our Christmas in July day seemed to be a favourite among the kids, even if they did get cold hands during our 'Arctic Melt' ice game. Of the day, Charlotte said *"it was so much fun because it felt like Christmas in the middle of the year"*, while Natalie said *"it felt like a festival and the food was amazing!"*.

We were very pleased to have so many children attend our first ever "Career Day", where activities represented different jobs and careers. The day's scavenger hunt gave everyone a chance to practise working as scientists, paramedics, waiters and waitresses, international spies and more! We're looking forward to reusing some of our resources from this day again, including our fun and colourful OSHC-made hairdressing boards.

Other activity highlights that you might like to try at home included making pasta from scratch, decoding messages written in the 'Extra-Terrestrial Alphabet', and performing 'chinanigans' where we dressed up our chins to look like faces and performed upside down.

We're looking forward to having plenty more fun at Before and After Care this term, so please get in touch if you'd like to join us!

St. Vincent De Paul: Winter Appeal. Over the next few weeks we will be conducting our annual Vinnies Winter Appeal. There are a lot of families doing it tough at present. Many have lost their jobs and are reliant on organisations like Vinnies. There are envelopes on the seats with a spot for credit card use or cash is quite acceptable. We have a box at the door of the church so you can deposit your donation there. Any donations no matter how small, is very welcome and much appreciated.

Rosters: If anyone wishes to Read or be a Eucharistic minister, please see Father Terry.
